Greetings,

Once again, this year is turning out to be one of the most important years in recent history to be involved in the life of non-profits. As many of you know, I have been involved with Camp Wood YMCA for the past 17 years, serving as board member along with numerous positions within that board.

This year is important to the life of Camp Wood YMCA in that we are being called more than ever to assist families in allowing their children to have an experience that lasts a lifetime. This experience is summer camp. Camp Wood YMCA offers a very traditional summer camp to everyone wishing the experience.

Over one quarter of the 1,000 children who attend Camp Wood YMCA receive direct financial assistance. Most receive assistance based on family size and income. The funds to cover this assistance must be raised by our Board of Directors. To do my part, with the help of my company and friends, I have offered the I'm Third Golf Tournament for the past 7 years and through this special event have raised over \$350,000.

If you have not been a part of this effort, we would like to invite you to join us. The tournament will be at the Drumm Farm Golf Course in Independence, MO on June 27, 2011. Please consider forming a team or playing as an individual. We also have sponsorship opportunities available.

Ken Wold, Executive Director of Camp Wood YMCA, and Ryne Witt, Senior Program Director, along with a few campers will be on hand to visit with you about the camp.

If you have questions, please feel free to call Ryne Witt at Camp Wood YMCA, 620-273-8641, email: ymca@campwood.org, or the website at www.campwood.org.

Sincerely,

Rogers Strickland
Camp Wood YMCA Board of Directors
